A musical journey. A remarkable era.

Laurel Canyon Dreamin' celebrates the artists who defined an era: The Byrds, The Mamas & the Papas, Crosby, Stills, Nash & Young, Joni Mitchell, Linda Ronstadt, the Eagles, The Doors, Jackson Browne and more. Led by Cooper "Coop" Bayliss, the band brings their timeless songs and rich harmonies to life, weaving in stories of the friendships and collaborations that shaped the Laurel Canyon sound. A full-screen backdrop of imagery and video makes the show an immersive journey into the Canyon's golden age.
